

TUESDAY 23 JULY

You can open a world of possibilities for an inner city child!

One week at YES Camp makes a lasting impact on a child from inner city Nashville. Your sponsorship can expose them to new experiences—a night under the stars, singing around a campfire, finding crawdads in the creek.

One child can attend YES Camp for a week for only **\$95**. You're sponsoring more than a week of fun, learning, and growth—you're making a meaningful difference in the life of a child.

Endless possibilities lie ahead for children attending YES Camp. Some see the world in new ways. Some imagine new horizons in their future. Some learn life-changing lessons about themselves and God. And some decide to follow Jesus!
