

## Group Discussion Guide

6.7.20

Chris and William Green discussed the following questions. You may choose to use these same questions to facilitate conversation.

1. How has the recent events impacted you and your family?
2. Tell me one or two things about being a black man in the country? What is important for me to know? (Another version of this question, since most of us are not black is, "What have you learned over the past month or so about what it means to be a minority in this country?")
3. What are your expectations of our church?
4. What positive steps would you recommend?
5. Do you have any book recommendations?
6. If you only had one sermon to preach, what would it be?
